

Welcome to Maple Lawn Counseling Services, LLC

I appreciate you taking a moment out to read this. I wanted to thank-you for choosing us to provide for your counseling needs and goals. We appreciate and acknowledge the courage it takes to want to make a change, and we are delighted, honored and privileged to be working with you through this journey.

We see our clients as brave and have strengths they have not yet unleashed, especially when going through difficult life transitions.

Often our clients want to share with others about their progress and success. You will have the most success by completing the goals you came to achieve. We welcome you to share your progress with others. Please know that should you choose to refer a potential client to work with us that both of your information is confidential and protected under HIPAA guidelines. Maple Lawn Counseling Services, LLC does not share information with others without your consent. We very much welcome and appreciate new clients into our practice, so we can also help them achieve the goals that matter to them most. We look forward to getting started with you at your first appointment. Should you have any questions prior to our appointment please feel free to give us a call.

Thank-you,
